Weedex Gains New Attention

Continuing to attract attention of gardening-minded persons, particularly of garden editors in magazines, the Redwood City-manufactured Weedex, "an easy way to rid your lawn of dandelions and other weeds."

Manufacturer is J. F. Archibald Co.

According to the firm's description, Weedex is a powerful, caustic powder that kills the weed by dehydrating it—stealing all its moisture. It comes in five-pound packages designed for pouring into the Weedex applicator, a cane-shaped affair. The five pounds is supposed to be enough to kill more than 2000 weeds.

With the cane type applicator, a person may stroll around his yard casually stamping out the weeds with the cane as they are spotted. No stooping or bending is necessary, nor any cleaning up of debris.

When the weed is stamped, a spring in the bottom of the cane opens a plunger which automatically measures and releases just the right amount to kill the average weed. Weedex kills the weed, but does not damage lawn, and is harmless to animals, according to Archibald.

Details Told Of Local Fete

Revealing that there will be four musical organizations in the line of march, further details of the Memorial Day program and parade, set for next Monday morning at the Sequoia Theater, were announced Monday by Floyd D. Granger, chairman.

Redwood City's Sea Scouts, sponsored by the Kiwanis Club, have been named to form a color guard for the parade. Under leadership of C. R. Baume, retired naval officer, the boys are learning the manual of arms and are expected to make a good showing in the line of march.

The U. S. Naval Communication Reserve will be on hand again to march as a unit. They have been assigned to fire the salute to the dead at the closing exercises at the Grand Army of the Republic plot at Union Cemetery, on Woodside Rd.

Mayor Louis C. Christensen and his party will be seated on the stage of the Sequoia Theater during the services, and later will review the parade from the reviewing stand located at the corner of Main St. and Middlefield Rd.

There will be four divisions in the parade, with a musical organization leading each division. Marshalls will be Police Chiefs Farrell of Atherton, Johnson of Belmont, Wheeler of San Carlos and Collins of Redwood City.

Division 1, led by Thomas J. Kane, will include the Sequoia High School 50-piece band, under direction of Max Gelber; national flags and colors and banners of veterans' organizations; Gen. George S. Evans Woman's Relief Corps; United Spanish American War Veterans and auxiliary.

Division 2, led by Elmer Brown, will be led by the McKinley School Drum and Bugle Corps, with R. R. Spink directing. Also in this division will be the Redwood City Junior Traffic Patrol.

Division 3, led by Robert E. O'Connell Jr., will be composed of World War veterans' organizations and their auxiliaries. Redwood City's municipal band, directed by Dr. R. Lee Otis, will lead this section.

Division 4, with Victor Hugo in command, will be led by the San Mateo County American Legion Drum and Bugle Corps. The Redwood City Fire Department and Moose and Eagle lodges will be in this section.

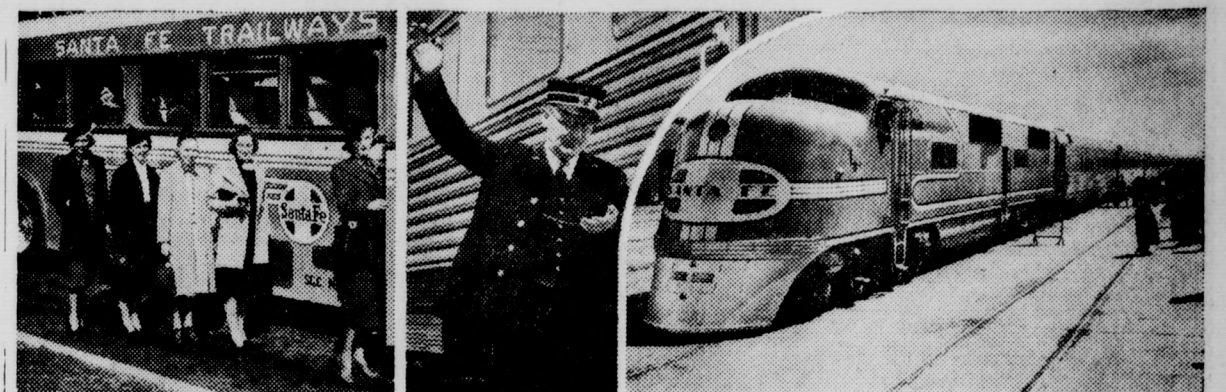

A new drum corps, the Italian-Catholic Federation, will make its first appearance in the parade.

Some 800 persons will participate in the parade and preceding program, which starts at 10 o'clock. The parade is scheduled for 11 o'clock.

Merchants have been asked to close for the day, but if they can not, they have been asked to close between 10 a.m. and noon. They also are asked to display their street flags during the day, taking them down at sunset.

Seventy-five copies of the parade orders are to be in the mail today, according to Chairman Granger.

Mrs. E. L. Taylor, who passed away in Palo Alto Monday at the age of 82, was well known in Menlo Park, where she resided for many years before moving to Palo Alto. He shod the noted racers that brought fame to the stock farm and returned to the turf. When Senator Stanford died, the farm was closed and Mr. and Mrs. Taylor and his family moved to Menlo Park where Mrs. Taylor and the late Joseph Greer conducted a blacksmith shop for many years. Mrs. Taylor is survived by three sons, the youngest of whom, Charles, has been the assistant city engineer of San Francisco for a long time. He is a Stanford graduate.

Wins Support At San Jose

Fentress Kuhn, young Burlingame building contractor, drew first blood Monday in his duel with Jack Anderson of San Benito County for the Republican nomination for congressman from the eighth congressional district.

Kuhn won the endorsement of Santa Clara County Chapter of Young Republicans after a stormy session at Hotel de Anza in San Jose.

Report of candidates recommended by a committee headed by Fillmore Rowles, chairman, was adopted only after efforts to delay and to reconsider action failed. Indorsement of Kuhn ended a bitter factional dispute which started two weeks ago when Kuhn's name was withdrawn after it was announced he would be opposed by another candidate, Anderson subsequently announced himself.

Other candidates indorsed by the Young Republican chapter:

Frank Merriam, governor; James Rolph III, lieutenant governor; Harry B. Riley, state controller; Gus Johnson, state treasurer; Adron Beene, state senator; Dr. Walter B. Dexter, director, state board of education.

Kuhn explained accusations that he had been seeking Democratic support.

"I have been talking to Democratic leaders," Kuhn said, "because I want the Democratic nomination as well as the Republican."

"I believe wholeheartedly in Republican principles, but this campaign will be one for the principles of Americanism rather than a fight on a strictly party basis."

Telephone Firm Files New Suit Against Cities

Pacific Telephone & Telegraph Co. has continued its efforts to force equalization of its assessments in incorporated cities by suing for return of taxes paid in excess of what the company claims to be the equitable amount.

Eight cities are named in as many suits filed in the superior court seeking return of \$8754.76 of the total of \$18,301.91 paid under protest to the cities.

Defendant cities are Atherton, Belmont, Burlingame, Hillsborough, Menlo Park, San Bruno, San Mateo and South San Francisco.

The company alleges that the State Board of Equalization which assessed utility properties acted in an arbitrary, capricious, and with deliberate, wilful disregard of the assessments of other property in the cities.

Covering an average city block in area and completely equipped with facilities for the entertainment and comfort of thousands, this host building will play an important part in welcoming the state's guests in 1939.

Redwood City Native Wins \$2000 Award

Trying to decide what to do with the Phelan traveling scholarship of \$2000 is Una Dodd McCann, 25-year-old painter at the California School of Fine Arts who was born in Redwood City Feb. 15, 1913 to Mr. and Mrs. Robert Janis McCann. Miss McCann was reared, however, and attended school at Pacific Grove, where she started her career sketching Italian fishermen along the wharf. Miss McCann was adjudged winner of the award late Saturday. Although she does not know in just what manner she will use the money, Miss McCann, who has financed her own education, declared she is mainly concerned with learning to become an expert painter. She now lives at 1611 Clay St., San Francisco.

'Air Mail Week' Proves Success

That Air Mail Week was a huge success in Redwood City as well as all over the country was indicated here when Postmaster R. E. O'Connell Jr. learned that during the week a total of 2050 air mail letters had been dispatched from the local postoffice. An ordinary week's handle is from 300 to 400, he said.

The amount of incoming air mail also was much larger than usual. Many special covers from extra air mail flights were received in Redwood City, O'Connell said.

Throughout the country, increases in air mail business ranging from two to ten times the ordinary handle was reported.

29 Presented Seal Awards

Twenty-nine Sequoia High School students received the coveted seal award at a special awards assembly held in the high school auditorium this week.

The seal awards, given for "conspicuous achievements and service to the school through scholarship, good citizenship and general participation in activities," were presented by John Deal, San Jose State College student who was commissioner of cultural activities at Sequoia in 1933-34 and himself a seal award winner.

To receive the award a student must have achieved a scholarship average of 2.75, must have earned a 90 merit average in citizenship and 24 service points—six in the administrative field, six in the cultural field and 12 others, or six others and a Block "S" in either cultural or athletic activities.

The seal is a charm on which is inscribed the Sequoia seal.

Receiving the awards were Ted Andrews, Margaret Antipa, James Argo, George Bloxham, Shirley Bright, James Canning, Donna Carrington, Lymina Cheney, Vincent Cleveland, May Coats, John Dusel, Jack Duttweiler, Donna Gardner, Helen Grant, Betty Hoffmann, Eleanor Irwin, Patricia Jeffers, William Jenkins, Nadine Johnson, Kazuo Kariya, Emma Kochar, Betty Deane Martin, Thelma Morton, Ruth Myers, Nancy Needham, Russell Reiserer, Dorothy Jean Smith, Jean Smith and Margaret Steele.

Mayor Proclaims 'Poppy Days,' Asks For Local Support

Poppy Days will be observed in Redwood City, as in other communities throughout the nation, on Friday and Saturday, May 27 and 28, as a fitting prelude to our Memorial Day observance, next Monday. On the two days named, volunteer workers representing the American Legion and the Veterans of Foreign Wars, with their auxiliaries, will offer to the public the flowers of Belgium which symbolize America's sacrifice in the World War.

The welfare and relief programs of these two veteran organizations are based on a close study and sympathetic knowledge of the needs of disabled men, their families, and the surviving dependents of those who have died. It is to the furtherance of these programs that funds realized from Poppy sales are devoted.

The very practical service thus rendered commends itself to me, and I, in turn, commend to the citizens of Redwood City the worthiness of the appeal that is to be made for their support. I am sure they will respond with the same generosity they have shown in past years.

LAUNCHES BUDDY POPPY SALE

Presentation of the first 1938 Buddy Poppy to President Roosevelt by 6-year-old Mary Jane Colgan of the VFW National Home for war orphans at Eaton Rapids, Mich., officially launched the countrywide annual sale of the copyrighted poppies by the Veterans of Foreign Wars of the United States

2 Auxiliaries Sell Flowers

Everything appeared to be in readiness today for "Poppy Days" in Redwood City Friday and Saturday of this week.

Buddy Poppies of the Veterans of Foreign Wars and Memorial Poppies of the American Legion will be on sale on city streets on those two days by members of the auxiliaries of the two veterans' organizations.

The Legion auxiliary distributed its supply of poppies to workers last night when they met at the home of Mrs. Floyd D. Granger.

MADE BY VETERANS

The poppies are crepe paper replicas of the wild poppies of France and Belgium, which blossomed along the battlefield and inspired the famous poem, "In Flanders Fields." More than 10,000,000 of them have been made this year by uncompensated disabled veterans working in government hospitals and in convalescent workrooms maintained by the American Legion Auxiliary in 40 states.

"Each flower has been shaped painstakingly by the hands of some disabled veteran," explained Mrs. Granger. "This is the only form of employment open to those confined to the hospital. For making the poppies the veterans are paid by the auxiliary, they being the only paid workers in the whole poppy program. The auxiliary supplies the materials and advances the money to pay the men as the poppies are produced, and its members give their time to distributing them to

Goodyear Names Armstrong Agent

Appointment of Milford B. Armstrong, formerly on sales work for the Goodyear Tire and Rubber Company in the San Francisco District, as special LifeGuard representative in this area, with headquarters in San Francisco, is announced by the company.

Armstrong in his past 12 years with the company has enjoyed a wide acquaintanceship with dealers, car owners and truck operators in this territory.

The Goodyear LifeGuard is a two-ply reserve tire inside the tube, both of which are inflated through the same valve. When a tire fails at high speed, air escapes from the conventional tube itself but can escape from the inner reserve tire only through a single tiny vent. This allows the driver ample time to come to a smooth, safe stop without a swerve.

the people of the nation on the annual poppy days.

BEGIN FRIDAY MORNING

Early Friday morning senior and junior members of the auxiliary will begin distributing the poppies throughout the city under the direction of Mrs. Granger, who asks every citizen of Redwood City to wear one of these paper flowers in memory of the World War dead.

A like program is planned by the auxiliary to the VFW, according to Clayton H. Heald, commander of Corp. James Lindsay Wilson Post. Poppy Days were made official today in proclamations issued by Mayor Louis C. Christensen and by Governor Merriam.

Publications Heads Feted

Editorship of the Sequoia Times passed from Jack Euttweller to Joan Lynn for the coming year Saturday night when positions on the school paper's staff were announced at the annual Matrix banquet at the Sequoia High School

Girls' Clubroom.

Speakers were John B. Hughes, radio news commentator, and Ray L. Spangler, city editor of The Tribune. Hughes described the work of a radio newsman, characterizing it as the "peddling rather than the gathering of news" in contrast to the work of the newspaper reporter and referring to radio news as "a headline service." Spangler talked on the opportunities open to school graduates in the newspaper field.

Two prizes were awarded Vera Graham, one for having written the largest number of inches of copy during the year—a record breaking total of 1400 inches or the equivalent of three full volumes of the paper—and one for being the "best all-around reporter" of the club class. Her name and that of the outgoing editor will be the first to be engraved on the silver trophy donated by Floyd F. McCue to record each year's editor and outstanding reporter.

Breaking the record for the largest number of inches of advertisements secured for the paper won a prize for Tom Williams. His record was 1000 column inches. Staff positions for next year, announced by the outgoing staff members, were: Editor, Miss Lynn; page 1 and managing editor, Vera Graham; assistant for page 1, Edna White; page two, Charles Jewell and Jerry Foster; sports page, Lloyd McGovern, editor; Frank Pisani, associate, and Stanley

Dodge, assistant; page four, Florence Jaeger, who will also be commissioner of publicity; page four associate editor, Marian Grue, and assistant, Louise Appy; business manager, Richard South; record keeper, Edna White; advertising manager, Eleanor Gamba, assisted by Stanley Dodge; circulation manager, Louise Appy; filing clerk, Marian Grue.

Guests were Principal and Mrs. A. C. Argo, Mr. and Mrs. George W. Lynn, Mr. and Mrs. Floyd McCue, Arthur Gletitzsch, Ellamae Dodds and Richard Matthews. Gerene Allsberry entertained with vocal solos, accompanied at the piano by Betty Dean Martin. Ping pong, badminton and dancing followed dinner.

SAN FRANCISCO'S TREASURE ISLAND HOME

Presented today by the California State Commission, Florence M. McAuliffe, Chairman, Charles H. Purcell, Executive Officer, is the above approved design for the San Francisco building at the 1939 Exposition. Plans prepared by Clarence A. Tantau, architect of San Francisco, provide for a modern design in harmony with other buildings of the county groups. Distinguishing features include a large terrace overlooking the landscaped grounds of the Mission Trails group, adjoining; and an elaborate Oriental garden, bordering the grounds of the adjacent Alameda-Contra Costa group. A central court, seventy by one hundred feet, will contain a large stone fountain.

Dr. Stanger Plans New County History

The writing of a new and comprehensive history of San Mateo County has been undertaken by Dr. F. M. Stanger, of the history department of the San Mateo Junior College, president of the San Mateo County Historical Association.

For a number of years Dr. Stanger has been active in furthering the historical interests of the county, and has unearthed a large amount of valuable historical data which will be included in the book.

In addition to the historical narrative, the new work will contain biographical sketches of important citizens—past and present—who have taken a part in the development of the community.

In the compilation of the history, an advisory board will assist, composed of a number of persons familiar with various phases of local history.

Thousands Visit Seminary in M. P.

Several thousand people, who came from all parts of the diocese, visited St. Patrick's Seminary in Menlo Park for its open house Sunday afternoon.

Grounds, classrooms, the chapel of the seminary and other parts of the institution were visited. St. Joseph's Military Academy band played.

The seminary choir sang at the benediction services, at which Archbishop Mitty was the speaker. He praised the people of the diocese for sending their boys to the seminary to become priests, declaring that the hope of the church lies in the seminary.

The Sahara desert embraces an area nearly as large as the mainland of Europe.

The book is being planned for publication early next year. A. H. Cawston will be managing editor of the history.

Bartholomew Leahy Is Taken by Death

Bartholomew Leahy, painter, who was born in Redwood City and had lived here all his life, died at a San Mateo Hospital at 4 a.m. Sunday following a short illness with pneumonia. He was 56 years old.

Mr. Leahy, who was the brother of Mrs. Annie Bullivant and Henry Leahy of Redwood City, had been taken ill a week ago today. Although a physician had been in attendance, his condition was not considered such that he needed hospital attention until Saturday afternoon. Fourteen hours after entering the hospital, he passed away.

Mr. Leahy resided at 216 Fuller St.

Mr. Leahy was the uncle of Ann, Grace, Albert, Earl, Henry, Marion and Edward Bullivant; Mrs. Thomas Casey; Mrs. Gertrude Heaney; Mrs. Sheldon Leavitt, and Harold and William Hovey.

Edward Whalley and William Goffe, two of the signers of the death warrant of Charles I in 1649, escaped to Massachusetts at the Restoration.

Mrs. Pike Is Winner In Alta Horse Show

Mrs. A. W. Pike was back at her home on Jefferson Ave. today after showing her horse, Don Juan, at the Alta District Horse Show in Dinuba last week-end, where he won first place in the class for five-gaited stallions, only event en-

tered. Second place went to Decorator, owned by Roy B. Boone of Delano, and third to Cuban Chief, owned by Virgil Kirby of Visalia. Mrs. Pike plans to take Don Juan to the Gilroy Roundup and Gymkhana this week-end for display.
